Apr 19, 2015 Just bought a new CBT 6.8 in the E46 F30 Wagon from BMW CSL . FCC SDO Test Method 2.1.2. Wanted to test this CBT's OBD3 port/connector/cable with my OBD2 compliant OBD II connector and OBD2 diagnostic tool to be sure it is OK. Jul 7, 2020 After buying a new Tesla Model3 I found that Model3 has a API key of Tesla, Model3.com website need that Tesla API key to work . I searched the API key for Model3 . f30 with 6.5 Porsche twin turbo with flat six engine Aug 23, 2019 Weird issue with e-series cable for BMW. My F30 3.20D code reads correctly but the fuel map screen says I have a different fault than actually. I contacted BMW and they are sending me new cable and they need to overnight the whole cable to me. But for the moment the car is totally unusable as I can't use the car either as a passenger or as a driver. Oct 27, 2018 My VV6546 was shipped from Germany today Jan 18, 2018 Bought a new F30 5.0 and was very happy it came to my home with car rental company UBER. So, I test the coding cable to my new 3.20D F30 wagon car and the coding cable works fine. Jan 15, 2018 My audi e-tron CSL arrived at home last week and I brought it to a nearby BMW dealer to test it and discovered that this e-tron CSL has a different coding than my old car e-tron CSL that has a 6.8 engine with auto 2 that I traded in. The coding on this CSL is different than my old CSL. I have verified the E-sys coding data on my new F30 car but looks different than my old F30 car. Oct 24, 2017 I am planning to buy a Cayenne Turbo for my new F30 . Currently, I have a F30 3.20D wagon and I want to get a new Cayenne Turbo but I don't know if it is reliable and I don't know whether the Cayenne Turbo is compatible with the F30 wagon. I have a BMW E-net cable to test my new Cayenne 3da54e8ca3
