April 2, 2016 - I bought this product called "TRAKTOR SCRATCH PRO 2 SOFTWARE & TIMECODE KIT *' same product as your link. Do I have to wait for dispatch...? Â» I called customer service and was put through to sales manager Janet. She said the product was from a supplier in a store at Westend Road, London, NW2 4DF. I told her that they don't know what product is on their site and I want to check the store's address. She couldn't tell me exactly if she belonged to them or not. I asked her to call them and find out and she said she would call me back as soon as she could.
