Student Accommodation Aberdeen Welcome to Leetham village (near Gourrock, midway between Gourrock and Aberdeen), a vibrant and lovely community which prides itself on being a safe and friendly place. We have a range of accommodation available, some to suit singles, couples and families. All are kept exceptionally clean and tidy with the minimum of effort. We have availability in apartments and flats of varying sizes, and also very spacious studios, suitable for single or couple students. The studios are of a typical student size, and offer a kitchenette and bathroom. All are extremely well-kept and nice looking. The apartments are also well-kept, and there are some larger ones which will suit families. They come with a really large balcony or patio area, which is great to enjoy the fresh air in the evenings, or for entertaining the kids in the summer months.Q: RAILS: Unexpected Identifier Returned by a C++ DLL When I try to run my Rails application my Rails console returns this error: LoadError in DeviseController#create uninitialized constant CartoDB::Fusion In addition to that, I am running into this error: "Unexpected Identifier Returned By a C++ DLL" I have my C++ code in a dll file and here is the code: #include #include #include #include #include #include #include #include #include int main() { //Initialize the fusion database
